Dear Participant

South Bristol Link between A370 and Cater Road, Bristol CPO & SRO Public Inquiry

I understand from the information provided to me by the North Somerset Council that you/your organisation submitted representations on the Council's proposed South Bristol Link between A370 and Cater Road, Bristol. I would like to take this opportunity to introduce myself as the Programme Officer appointed to assist the Inspector with all aspects of the public inquiry administration.

As you may know, Mr David Wildsmith, BSc(Hons) MSc CEng MICE FCIHT MRTPI, of the Planning Inspectorate has been appointed to conduct the Inquiry.

The Inspector will not be holding a Pre-Inquiry Meeting but has prepared a Pre-Inquiry Note which I attach hereto, and your attention is drawn to the deadlines for further actions by all parties. The Public Inquiry is set to commence on 8 July 2014 at Armada House Conference & Events Centre, Telephone Avenue, Bristol BS1 4BQ and is currently scheduled to sit for 8 days.

I also attach a programming form for you to complete and return to me to indicate if you wish to take part in the Public Inquiry. This information will assist me to prepare a programme for the Inquiry and to make the best use of the time allocated. A website has been set up for the public inquiry to keep everyone informed on progress and documentation on the following link <http://southbristolinkpublicinquiry.org>

If you have any queries concerning any aspect of the Public Inquiry, please do not hesitate to contact me.

Yours sincerely

Lynette
Programme Officer
